Member Types / Duties of Membership

PRIMARY MEMBER: An individual is a primary member of CAAR if they pay local, state and national dues through CAAR. New member dues and application fees apply. You may be primary where your broker is primary or a secondary member. New Member Orientation is required.

SECONDARY MEMBER: An individual is a secondary member if they pay current state or national dues through another association/board. If the current year's Virginia REALTORS® and NAR dues have been paid through your primary association/board then only the Application fee and CAAR local dues apply at time of joining. Annually local dues apply to this membership type plus any service fees such as MLS or lockbox key. State dues would be applied for anyone who is secondary out of state.

A letter in good standing from your primary board is required for this membership type and new member orientation is required as this is membership to our Board.

APPRAISER: An individual who is a Licensed residential Appraisal, Certified Residential Appraiser, Certified General Real Estate Appraiser. If an appraiser also has a current/active real estate license, then the real estate license takes precedence over the appraiser license. **Membership is the same as above, whichever applies.**

REINSTATING MEMBER: An individual is a reinstating member if they were a prior member of CAAR and has not been inactive with the Association for more than six months. Membership dues shall not be prorated if an individual held REALTOR membership during the preceding calendar year. A state renewal fee of \$155 plus current costs of services shall be applied to renew. New Member Orientation is not required.

NEW MEMBER ORIENTATION: MANDATORY: New Member Orientation (NMO) is required for all applicants. Orientation is given once per quarter. You will have 6 months from the date of your application to complete Ethics and new member orientation. If you do not complete NMO within the 180 day time frame, your application for membership will be canceled and you forfeit the Application Fee. Once forfeited, you must repay the application fee to reinstate your application. If you arrive at NMO late or leave early, you will be required to complete the entire Orientation again. Secondary members are not required to take this course provided they have completed it with their primary association.

When completing your membership application you will be required to select a NMO date. CAAR staff will register you and you will receive an email confirmation and reminder of the session date/time.

NAR CODE OF ETHICS & FAIR HOUSING (2025) TRAINING: You will receive your first Code of Ethics training during NMO. As a member of the National Association of REALTORS® you will be required to complete the NAR Code of Ethics once every three years as determined by NAR. Please schedule an NAR approved COE session with CAAR or where it is denoted as approved online or with any other board. NAR has elected to include Fair Housing as part of NMO. This course must be renewed every (3) three years to coincide with COE requirement beginning 2025.

REAL ESTATE LICENSE & CHANGES MADE WITH DEPARTMENT OF PROFESSIONAL AND OCCUPATIONAL REGULATION(DPOR): CAAR has nothing to do with issuance of your real estate license. All Virginia licensing is handled through DPOR. It is your responsibility to keep up with your continuing education (SPLE or CE) and to know when your license expires. CAAR will maintain a record of the continuing education classes you complete at CAAR. CAAR will also assist you with any questions you have concerning your CE, however DPOR is the entity that regulates and controls your licensing. If your real estate or appraiser license becomes expired or inactive, you will be inactivated from CAAR and CAARMLS until it has been re-activated. If you update your contact info with CAAR it will NOT be updated with DPOR, please contact them directly to update your address and phone information.

CHANGING OFFICES: All licensees changing firms must notify CAAR by sending in a Member Record Change Form along with a copy of the Transfer form sent to DPOR. CAAR will make the transfer in accordance with the DPOR Regulations.

WHAT TO EXPECT FOR REALTOR DUES AND SERVICE FEES WHEN JOINING CAAR

One of the MOST important things to remember is **CAAR does NOT mail paper statements**, the notices of billing are always emailed, so it is VERY important you have an accurate email address listed with CAAR to receive these and other critical communications from CAAR.

QUARTERLY BILLING FOR SERVICES:

CAAR bills one month ahead of each quarter for MLS and lockbox Key services. All fees are due within **30 days** of billing to avoid a late fee being applied. Services are optional as part of your membership platforms. You may setup auto deduction as an option for quarterly paying.

Billing takes place on or about:

Dec. 1

March 1

June 1

Sept. 1 - CAAR annual renewal dues AND 4th quarter MLS & Key service fees.

See rate sheet included in packet for all costs associated with membership, MLS and Key services.

ANNUAL DUES BILLING TO RENEW REALTOR MEMBERSHIP:

Annually your REALTOR membership is renewed for the next year to State (VAR), National (NAR) and local (CAAR) for primary members and CAAR local dues for secondary members. These dues pay for various benefits and services offered by these three associations for REALTOR members. You may access your benefits with VAR and NAR using your NRDS ID provided when you join CAAR. **Annual dues cannot be paid by auto payment, it must be paid manually.**

Annual renewal dues are billed on or about the first business day of September and due by **October 31**. This is required by our bylaws. If payment is not received by Oct. 31 a late fee is applied on the next business day.

Additional Dues Invoice Line Items: Contributions to [RPAC](#) and donations to the [CAAR Foundation](#) are editable line items on your annual dues bill.

Tax deduction information is noted on the CAAR portal Pay a Bill tab.

All members showing as still owed are notified with reminders to pay quarterly fees & annual dues. If your firm has notified you that they pay your quarterly fees please do not login and pay them, once their check is received it will be processed even though you may have seen prior email reminders to pay. Check with your broker to find out if your fees will be paid by the firm.
