If elected I will faithfully fulfill all duties, including meeting attendance and participation, and will serve and abide by the Association's Policies and Procedures.	Yes
Which position(s) are you applying for and why	The position I am applying for is President-Elect. After these years as a Director on the Board, and most recently as Treasurer, I would love the opportunity to continue to serve our membership.
What experience or perspective will you bring to the Board of Directors	Serving as Treasurer this year has both strengthened and deepened my understanding of how our Association works, and made more apparent to me the ways in which we can continue to cultivate and promote a strong community of members enabled to "succeed as ethical, innovative, and socially responsible real estate professionals" as CAAR's Mission Statement lays out.
What do you see as a major issue(s) facing the Association in 2027	The year 2027 will bring a new (and vastly improved!) MLS provider or platform to our membership which will be a significant undertaking for the Association. Beyond that, I believe it will be essential for CAAR to continue to help members stay on top of industry concerns such as ongoing compliance and legal risks following the major industry settlements and commission lawsuits, and potential new Federal and State legislation impacting the real estate market.
What will you do to build a diverse, equitable, and inclusive Association	A key component to building a diverse, equitable, and inclusive Association is making sure that every voice in the membership is given a chance to be heard, and ensuring opportunities to be involved in the organization, as well as specifically in the leadership of it, are made available to all members is vital, and something I would make a priority.
Will you be creating a video?	Yes
