Yes

Which position(s) are you
applying for and why

3 year director. With 20 years as a realtor and serving on
numerous committees I think I have a good
understanding of how our association runs and what
realtors need and want and this would be a good position
for me to be of service.

What experience or
perspective will you bring to
the Board of Directors

With 20 years as a realtor working with Buyers, Sellers and
cooperating agents as well as managing the Lake
Monticello office for Long and Foster, as well as being
very active in community service I would be a good
addition to the board.

What do you see as a major
issue(s) facing the
Association in 2027

I think the changes in the market will result in a loss of
agents from Real Estate in 2027 at the same time the
industry will be getting more competitive than ever.
Buyers and Sellers are more educated than ever and
agents will need to be know more, be more professional
and will need the support of our association more than
ever. It will be a challenge to potentially have less income
for the association at the same time agents will need more
training and support.

What will you do to build a
diverse, equitable, and
inclusive Association

More involvement in the community and rural areas.
Continue what is already being done to attract, support
and create a welcoming environment for all agents.

Will you be creating a
video?

No
